

DRINKS MENU

- THERE IS NO COFFEE LIKE KAFFA -

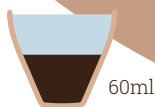

We strive to get the most flavour and aroma out of the coffee and make the perfect espresso every time. We care about the freshness, the flavour balance of our blends and try to treat every bean with care. We are fascinated by the variety of coffee flavours, whether you taste the sweetness of ripe berries, the taste of milk chocolate or the aroma of jasmine, we leave it up to you. We will be happy if you come back to our coffee every day.
